

PROCEDURE IN CASE OF K9 EMERGENCY ON THE STREET

*K9 Officers should contact dispatch and inform them of the situation if K9 is injured – if not already Air on dispatch one should be called.

*Radio/Tac 1/Desk Sgt should call the Veterinary Office (which one depends on time of day) and give them as much information as possible about the situation. Advise K9 Officer of which Vet was called.

*Radio/Tac 1/Desk Sgt should call County and advise them of situation and inform them units will be going emergency response to the Vet.

*Radio/Tac 1/Desk Sgt should notify Chief of Police of the situation

*K9 Officer will call Vet on the way to give more details.

*K9 Officer may also request EMS to be called to scene in which case Radio/Tac 1/Desk Sgt will do so by contacting Communication Center.

*In an extreme emergency the K9 Officer may request MedEvac to stage in which case Radio/Tac 1/Desk Sgt will do so by contacting Communication Center and they will contact MedEvac.
